Dear Mr. Secretary:

At the meeting held in your Office on 9 February 1954, you requested that we inform you of this Agency's plans to observe Brotherhood Week.

In furtherance of the spirit engendered by Brotherhood Week, I have issued a message to all employees announcing the Brotherhood Week observance. This communication encourages our employees to broaden their knowledge of and increase their participation in Brotherhood activities through study, attendance at religious services, community activities, and in countless other ways. In addition, we plan to disseminate to employees the "Lighting Lamps" pamphlets and display the Brotherhood Week posters on our bulletin boards.

The feasibility of a formal service for our employees has been thoroughly explored. Unfortunately, the dispersion of our buildings and other operational considerations preclude a central observance assembly.

Sincerely,

SIGNED
Allen W. Dulles
Director
